

SIDDEEQ PUBLIC SCHOOL

Ph # (051) 4841494-98

No.SPS(Admn)2k23/0216

Dated: 16 February 2023

Respected Parents of Siddeeqeen,
Assalam u Alaikum!

ALHAMDULILLAH ... It is hoped that you and your family members will be in good health.

- ❖ Result of the Annual Exam will, In shaa ALLAH, be declared as:
 - Grade 2 to 7 ... 04 March 2023 (Saturday)
 - Grade 8 ... 25 March 2023 (Saturday)
- ❖ Indeed with the divine blessings of ALLAH Almighty, the commencement of forthcoming academic session (2023-24) is scheduled as:
 - Grade 3 to Grade 8 13 March 2023 (Monday)
 - Grade 9 27 March 2023 (Monday)
- ❖ The government made an effort to implement Single National Curriculum (SNC) throughout the country, at all streams of educational institutions irrespective of public or private sector. Thereupon, in Siddeeq Public School, the text books, conforming to the outlines of SNC, will be taught in the upcoming session as well. However, the core objective of the School — imparting optimal and competitive education — is attained by designing purposeful worksheets and adopting effective instructional strategies.
 - For all Grades (3 to 10), the textbooks, published by the Punjab Text Book Board (PTBB) are to be arranged as per the Booklist uploaded on the School website.
(Children must be taught that books are always to be valued whether new or old ones.)
- ❖ In order to meet the rising liabilities of the School, no other option is found except to increase the School fee, but always to a reasonable extent. The delineated table depicts the School fee and schedule of payment to be made during the forthcoming academic session.

Annual School Dues for the entire Academic Session (March 2023 – February 2024) for all Classes/Grades
Rs. 90,000/- (=Rs.7,500/- per month)

Payment Schedule		
Head of Payment	Amount Rs.	Last Date for Remittance
Fee for the months: March, April, May, June 2023 (First Installment of the Annual School Dues)	30,000/-	12 June 2023 (Monday)
Fee for the months: July, August, September, October 2023 (Second Installment of the Annual School Dues)	30,000/-	10 October 2023 (Tuesday)
Fee for the months November, December 23, January, February 2024 (Third Installment of the Annual School Dues)	30,000/-	10 January 2024 (Wednesday)

However, it would not be out of place to state here that the stage, when the academic session is at the verge of its termination and the approaching session is likely to commence, is verily the right time for the parents of the students to take rational decision on this subject according to their financial cushion. At this juncture, before the commencement of new academic year, parents of the students literally find sufficient time to opt for any viable preference / feasible option as per their convenience.

Principal
